

Ely City Council Public Hearing, December 6, 2011

The Ely City Council Public Hearing was called to order by Mayor Skraba at 5:02 p.m. on December 6, 2011 at the Joint Maintenance Facility Building.

PRESENT: Council members Debeltz, Nikkola, Salerno, Sheddy, and Mayor Skraba (5)

ABSENT: Zupec and Omerza (2)

Mayor Skraba stated the purpose of this hearing was to gather public input on proposed Ordinance No. 254, 2nd Series amending the Ely City Code, Chapter 7, Section 7.07 Obstructions in Streets and Sidewalks. The proposed amendment would clarify the ordinance language regarding placing snow, ice and leaves on public property.

Business owner Lenard Katauskas questioned the intent of Subd. 5C and Subd. 7.

The recommended wording changes to Subd. 7 are to remove the word “fall” in the second sentence and replace with “be deposited”. It was also recommended to add “three (3) foot wide pedestrian walkway” to Subd. 5A.

Attorney Klun will review and provide wording changes to the council prior to the second reading of the ordinance.

The hearing was adjourned at 5:25 p.m.
